

Honouring Donors to the
Royal Alexandra Hospital Foundation

Celebrating Our Donors

Our Donors Make Progress Possible.

The Royal Alexandra Hospital Foundation is pleased to include a list of our donors in conjunction with our Annual Report as another way to celebrate the contributions each of you has made this year and for many years previous.

Our fiduciary duty is to report to donors on the Foundation's achievements in fundraising activities, investment returns, and disbursements made to the Royal Alexandra Hospital and its medical centres of excellence. However, in addition, we want to be sure to acknowledge those who made those disbursements possible, all of you!

Through your generosity, we are advancing care practices, enhancing patient comfort, enabling innovative medical research, improving our providers' experiences and making lives across Alberta better. Every gift is appreciated, and every donation, big or small, matters. Your dollars plant the seeds that allow for growth and improvement in these areas, and we are immensely grateful for your support.

Everyone has their reasons for giving, but no matter your purpose, each of you is improving health outcomes and saving patient lives. Thank you for all you have done for the tens of thousands of patients who rely on the Royal Alex each year.

Sincerely,

Sharlene Rutherford, B.PA, MBA

Champions \$100,000 – \$249,999

While Champions in sport win in a ring or on a track through the defeat of an opponent, Champions for the Royal Alexandra Hospital are donors who soar past obstacles to achieve success for our patients. These individuals and companies are aligned with our mission, and they see this hospital as a charity of choice. As a result, each finish line crossed is another compelling advancement in the betterment of patient care initiatives.
